Jeernodharana Kumbhabhishekam June 22-26, 2016

Jeernodharana Kubhabhishekam, June 22-26, 2016

It is a Hindu custom and belief that temple worship enables our pursuing a path of devotion to attain moksha. The temple is the place for our community to pray for the well being of our community and the world at large. Our temple celebrated the Consecration and Kumbhabhisheka in 1992. As per agama sastras, one celebrates Jeernodharana Kumbhabhisheka every 12 years. This year we are celebrating the Jeernodharana Kumbhabhisheka for the second time.

This is our auspicious occasion to rededicate our resolve (Mahasankalpa), and Re-enliven (prana prathishta) the deities into the murthis (Vigrahas). This re-sanctifies and re energizes the vigrahas and the temple.

During this process lot of havans and pujas are carried out praying for the betterment of the community spiritually and other wise. Following are some of the homas planned to enable the devotees to participate in the homas relating to their family deities and birth stars.
