

# The Mountain, The Mirror, and You: The Secret of Angkor Wat

A Talk by Dr Krishnan Ramaswamy

**Feb 18, 2017 at 11 am**  
**Albany Hindu Temple Cultural Center**

The largest religious structure in the world, and the largest Hindu Temple, Angkor Wat is a product of genius. Built by SuryaVarman II in the 1100s, it represents the high point of Khmer Hindu culture. In engineering, in architecture and above all in the glory of its art, it raises and answers some of the most profound questions about human life.
