

# The Mountain, The Mirror and You: The Secret of Angkor Wat

A Talk by Dr Krishnan Ramaswamy

Friday, Oct 27, 2017 7:30 - 9:00 pm

Albany Hindu Temple Cultural Center Auditorium

*"The largest religious structure in the world,  
and the largest Hindu Temple, Angkor Wat is a product  
of genius. Built by Surya Varman II in the 1100s,  
it represents the high point of Khmer Hindu culture.*

*In engineering, in architecture and above all  
in the glory of its art, it raises and answers  
some of the most profound questions about human life."*
