Before coming to USA, I lived in Jamshedpur, India, working for Tata Motors for 32 years, starting after college as Graduate Trainee and leaving as a Senior Manager – an executive level position.

While living in Capital region, I have been working for OGS, Design and Construction for 9 years and then ITS as Project Manager for last 8 years. While working for State govt, I have been actively associated with our union PEF (Public Employees Federation) in various capacities like Shop steward, Executive Board member and held positions in various union committees like Statewide IT Committee, Labor Management Committee and Treasurer of Indo American Committee.

I have been an Annual Member of temple for past many years and last year I became a Life member.

For last few years, I have been very actively involved with Temple and HCC activities. For last three years. I have organized volunteer activity raising funds from shoppers in Crossgate Mall for Regional Food Bank on behalf of Our Temple during their Annual program called “Holiday Hunger Appeal”. Last year I raised funds to make Our Temple one of the sponsors for this program to bring some glory to our temple among American People while helping the poor and needy.

I have been taking part in many volunteer activities within our temple complex for last one year, likegardening, clean-up of complex, Assembly of benches, Prasad Preparation etc. Currently I have also been organizing the Senior Meet in HCC every month. I have also taken part in Yoga activity of HCC.

I have been also contributing a modest amount, commensurate with my income, on temple and HCC initiatives. I am among the Gold Sponsors for the HCC Basement project.

While working back in India, I was actively involved with professional bodies like Indian Institution of Foundrymen (IIF), Indian Institution of Plant Engineers (IIPE), Jamshedpur Management Association, Voluntary Blood Donors Association (VBDA) etc. I was elected as State Level General Secretary for 3 years for IIPE.

I am confident that if elected, my organizing ability and commitment to social cause will make significant contribution towards the betterment of temple, HCC and our community at large.

Albany Hindu Temple BOT Nominee: Siva Bandaru

My name is Siva Bandaru. I live in Niskayuna, and I have been volunteering at the temple for several years.

I have introduced and led very special and unique religious events in our temple. All these were performed for the 1st time in the temple's history and resulted in extreme devotee satisfaction and raised significant donations. I've listed some of them below:

1. Shahasra Lingarchana - a special puja for Bhagavan Shiva with 1116 Pruthvi (made out of clay) Lingas which was performed as a special event during Shivaratri.
2. Kubera Pasupata Homama - a unique and special homa to Bhagavan Maha Shiva which was performed as a special event during Shivaratri.

6. Samoohika Lalitha Sahasra Nama Parayana- 108 devotees chanting Lalitha Sahashranamam followed by homam. Performed during Dasara as a special event.
7. During the COVID 19 pandemic time in the year 2020, organized Samoohika parayana events for Hanuman Chalisa, Aditya Hridayam and other stotrams via WhatsApp group and coordinated to perform the associated homas.

As a firm believer of Sanatana Dharma, I do Veda Parayana, and I will continue to offer my services to the temple and continue to serve the community with my religious knowledge.

Albany Hindu Temple BOT Nominee: Mona Patel

I, Mona S Patel, have been an active member of our temple community for past 28 years. My in-laws, Bharti & Hasmukh Patel were dedicated members/volunteers of the temple since 1980's.

Having watched & learnt from them, I try my best to follow their footsteps.

During my first term, I had the honor of volunteering as the Religious chair. It was a huge undertaking which was accomplished with the help & support of the fellow board members. I enjoyed planning & organizing the religious events. I had the privilege of working with all the priests & countless volunteers.

As my first term comes to an end, I'd like to thank everyone who were there to support & help me. I couldn't have done it without all of you.

If I am appointed for the second term, I would like to continue serving the temple & help finish the projects that we started.
